#### Restrictions which apply to the whole of your policy:

- ! Most claims will be subject to an excess, which is the amount you have to pay towards any claim. See your Schedule for all excesses
- ! Unpaid premiums may be deducted from any claims settlement made to you.

#### Restrictions to items under the 'What is Insured?' heading

- ! For in-car entertainment, phone and/or satellite navigation equipment not permanently fitted by the manufacturer as standard, cover is restricted to £750
- ! Temporary replacement cars aren't available if your car has been stolen and not recovered; or if your car isn't repairable. They aren't covered outside the UK, the Channel Islands or the Isle of Man
- ! For glass claims through your own repairer, cover is limited to £200 for replacement, and £50 for repair, less any excess
- ! The use of genuine Toyota parts for repairs does not extend to replacement glass
- ! Personal Accident cover is restricted to certain serious injuries within 90 days of the incident.

#### Restrictions to cover for driving other cars

- ! If your policy allows you to drive other cars that don't belong to you (check your Policy Schedule and Certificate of Motor Insurance) there is no cover for damage to the car you are driving. The car must be registered in the UK, the Channel Islands or the Isle of Man and insured elsewhere. This cover does not apply if you are already insured under another policy to drive the other car. This cover does not apply abroad. This cover is only for you and not any named drivers. You must still have the insured car and it must not have been damaged beyond economical repair nor been stolen and not recovered.
