The fuel consumption, $CO_2$, electric range and electric energy consumption values (as applicable) are measured in a controlled environment on a representative production model, in accordance with the requirements of the WLTP European regulation EC 2017/1151 and its applicable amendments. For each individual vehicle configuration, the final fuel consumption, $CO_2$, electric range and electric energy consumption values (as applicable) may be calculated based on the ordered optional equipment. The values of your vehicle may vary from those measured or calculated values, as driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, tyre pressure, load, number of passengers, etc.) have an influence on a car's fuel consumption, $CO_2$ emissions, electric range and electric energy consumption.

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification. For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure.

Figures are provided for comparability purposes; only compare fuel consumption and $CO_2$ figures tested to the same technical procedures. These figures may not reflect real life driving results. All vehicles are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). Please visit the Vehicle Certification Agency website for the latest information. Choice of accessories fitted (pre-registration) may affect the official $CO_2$ figures, car tax and 'on the road' price. These dates may change, please visit www.vehicle-certification-agency.gov.uk/fcb/wltp.asp for the latest information. Please contact your local Toyota Centre for further information.
