

Stay connected with
your vehicle by using
the new *MyToyota* app
in 3 easy steps:

MyToyota

1

Download
MyToyota app
and register

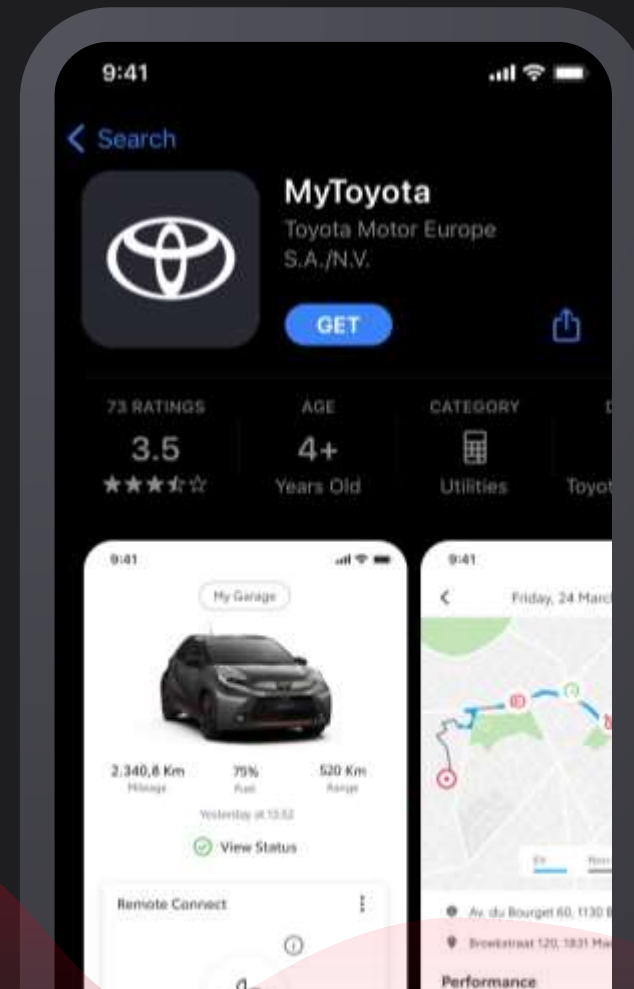

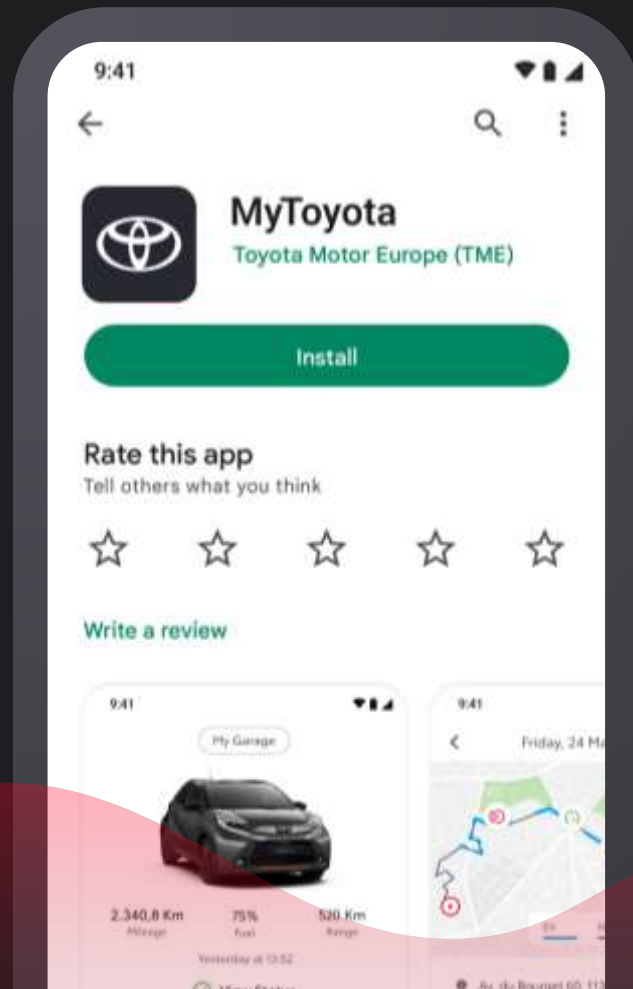

2

Link the app to
your vehicle

3

Activate our
digital services

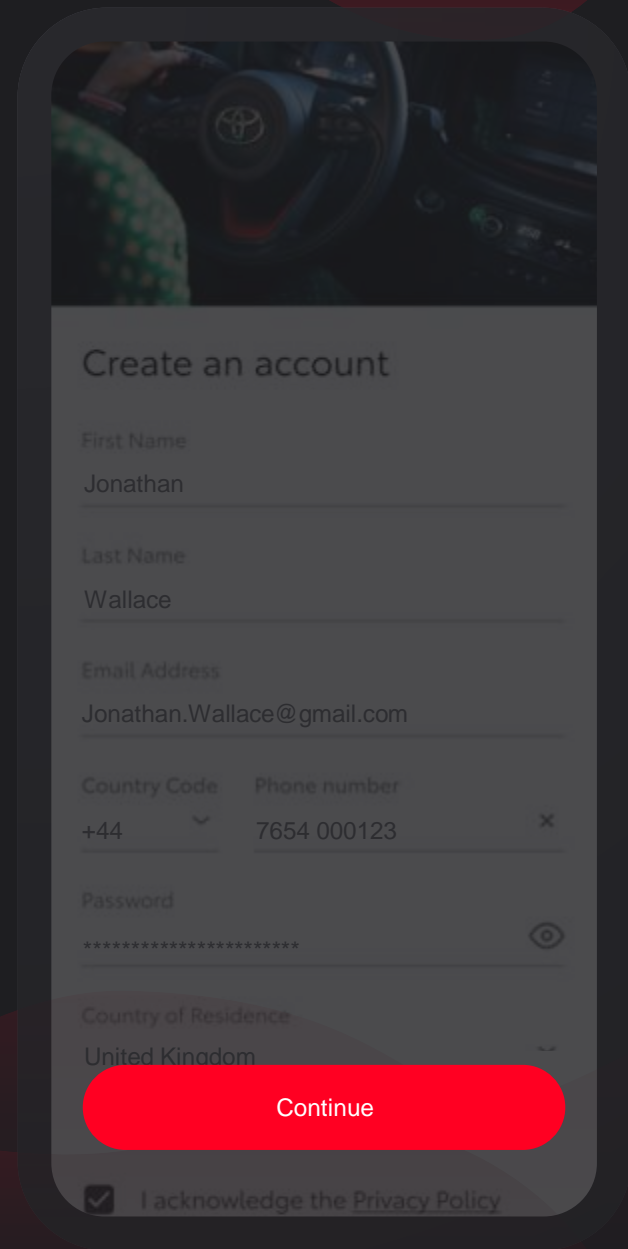

First, download the latest MyToyota app

tap Register

and create an account.

The image shows a smartphone screen with a 'Create an account' form. At the top is a header image of a car's interior. Below it, the form has the following fields: 'First Name' with the value 'Jonathan', 'Last Name' with 'Wallace', 'Email Address' with 'Jonathan.Wallace@gmail.com', 'Country Code' with '+44' and 'Phone number' with '7654 000123', 'Password' with a masked input '*****' and an eye icon, and 'Country of Residence' with 'United Kingdom'. A red 'Continue' button is at the bottom, and a checkbox for 'I acknowledge the Privacy Policy' is at the very bottom.

In case you've already had services active for this car, those services will be disabled and you will need to reactivate them.

Save Changes

In the final step you can select preferred digital services.

(Connected Insurance only available in selected markets)

The screenshot shows a mobile application screen with a white background and a dark grey header containing a back arrow. The main heading is "Available Services". Below it, a text prompt reads "Please select the services you would like to use on you car." There are five service options, each with an unchecked checkbox and a right-pointing chevron. The options are: "Select all", "Standard Services" (with a sub-note "Trial Available Term - 10 years"), "Remote Services" (with sub-notes "Trial Available Term - 4 years" and "Depend on Standard Services"), "Smart Services" (with a sub-note "Trial Available Term - 4 years"), and "Connected Insurance". At the bottom, there are two buttons: a red "Skip" button and a grey "Activate" button.
