DESIGN THAT DRIVES YOU

Designed with passion, driven by obsession. The Yaris seizes the moment through expressive design that conveys its passion for life and love of movement. Bold and distinctive, its wide, compact stance hugs the road with a reassuring strength that belies its agile, dynamic nature.

BLACK BEAN – KUROMAME
The rounded curves and glossy skin of the Japanese Kuromame bean are re-invented throughout the design of Yaris.

DYNAMIC BULL SHAPE AND STANCE
Inspired by the Mighty Bull, Yaris possesses a powerful kinetic energy that is always ready to go.

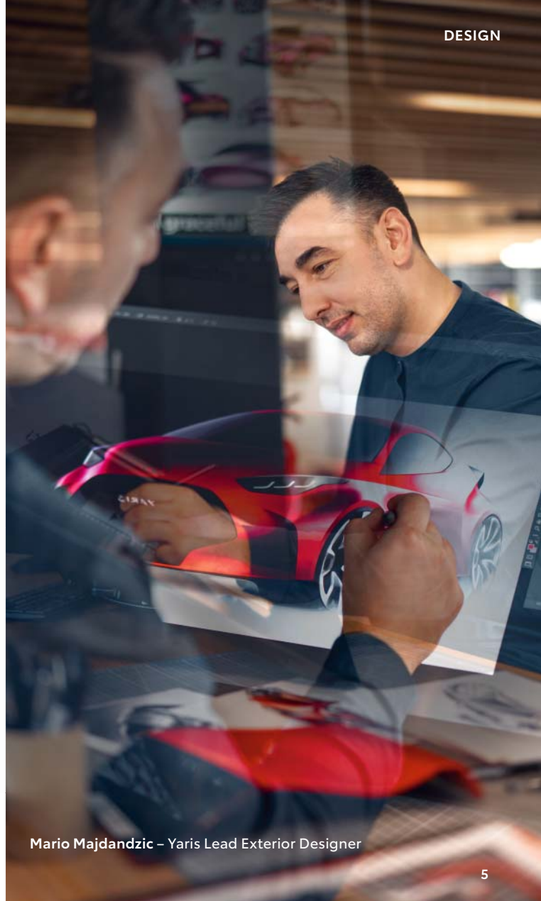

'PEAK' ROOF LINE
The unbroken line running from the bonnet and extending to the roof creates a natural peak towards the rear of the roof, giving Yaris the stance of a sprinter, poised and ready to take off.

BOOMERANG REAR BUMPER
The boomerang design rear bumper pushes the rear wheels outward for a powerful, planted stance.

CONDENSED & AGILE
Every millimetre is considered: Short overhangs and generous wheelbase put the space where it counts, on the inside.

Mario Majdandzic – Yaris Lead Exterior Designer

HYBRID, THE POWER TO ELECTRIFY

Yaris introduces a brand new 4th generation hybrid system for an unrivalled combination of engaging performance and outstanding economy.

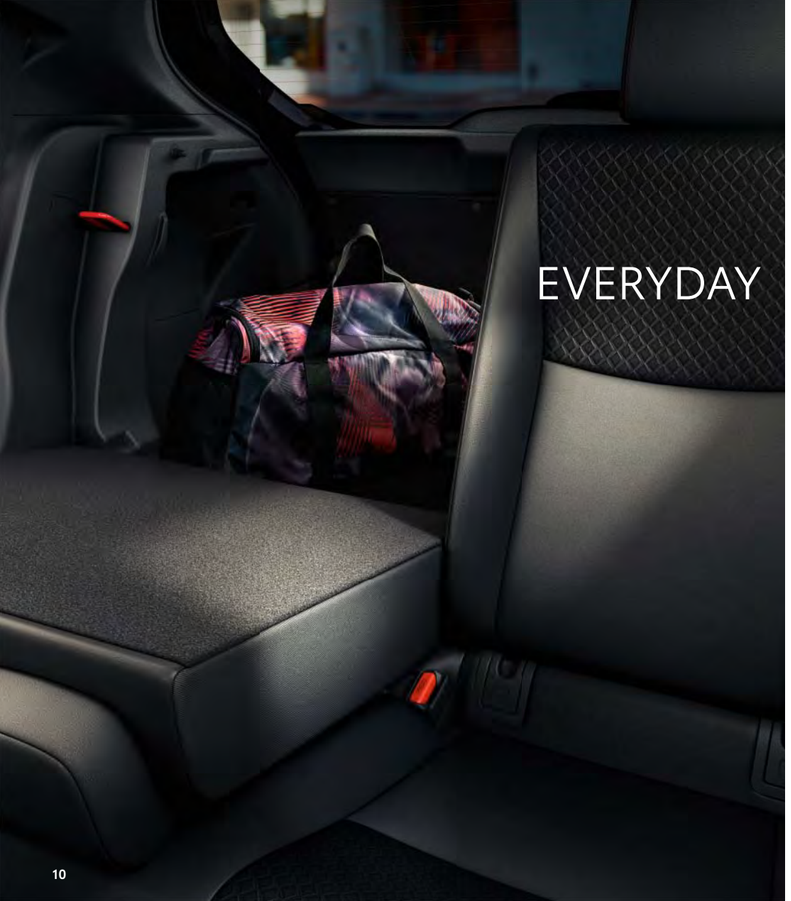

Built on more than 20 years of experience the new, lightweight lithium ion battery can store more power, whilst the self-charging hybrid system can recover more energy, so you'll produce zero tail-pipe emissions when driving in electric mode on your urban journeys.

FOCUSED ON YOU

From the soft-touch dashboard to the stunning colour, binocular-inspired display, every detail of Yaris is created around you, ensuring ease of use and reduced eye movement. The clean, minimalist design keeps your hands on the wheel and your eyes on the road whilst the low dashboard and compact steering wheel combine to deliver the confidence that only a perfect driving position can give.

EVERYDAY ELEGANCE

With a modern, inviting and stylish interior, Yaris combines quality finishes and ambient lighting to create a rich sensory environment that never loses its sense of fun. From the luxury of a JBL® premium audio system, to the convenience of front armrest storage, with Yaris you can have it all.

INSPIRED TECHNOLOGY

Yaris puts you at the heart of the technology. With seamless design and intuitive integration, you can enjoy smartphone connectivity via Apple CarPlay and Android Auto™. There's also flawless audio from the bespoke JBL sound system and a full colour 10" Head Up Display.

1. JBL® PREMIUM SOUND SYSTEM WITH 8 SPEAKERS
Immerse yourself in the bespoke JBL audio system: with an 8 channel amplifier and 2 sub woofers, bringing you the crispest treble and the richest bass tailored to the Yaris.

2. 10" COLOUR HEAD UP DISPLAY
Stay focused on the road with essential information just a glance away. The Colour Head Up Display projects key driving information and warnings, such as speed limits onto the windscreen within the driver's field of view.

3. TOYOTA TOUCH® 2 MULTIMEDIA SYSTEM
Choose your favourite DAB radio channel, customise system functions, check vehicle data and connect your smart phone to stream music: Toyota Touch® 2 Multimedia System puts you in control.

POWER YOUR PERFORMANCE

Yaris comes with a brand new 1.5 litre hybrid engine. With high levels of torque, Yaris seamlessly delivers smooth, linear acceleration. Responsive and nimble in town, it’s also perfect on the motorway.

MOVING SAFETY FORWARD

Toyota believe that safety is a right, which is why this latest Yaris is the safest Yaris ever. Packed full of technology, standard equipment includes an advanced Pre-Collision System with Cyclist and Pedestrian Detection, Emergency Steering Assist, Lane Trace Assist, Collision Mitigation Support, Intelligent Adaptive Cruise Control and Road Sign Assist. So even if you aren't thinking about safety you can be sure that Yaris is.

For availability please see grade pages.

PRE-COLLISION SYSTEM ENHANCED WITH EMERGENCY STEERING ASSIST
The advanced Pre-Collision System uses both automatic braking and steering assistance to reduce the likelihood and severity of an impact, by detecting oncoming vehicles and crossing pedestrians in traffic and when turning at junctions.

LANE TRACE ASSIST
If the car begins to drift from the centre of the lane unintentionally, steering assist is applied to correct its course.

BLIND SPOT MONITOR
Alerts the driver to any vehicles that might be missed in the door mirrors.

REAR CROSS TRAFFIC ALERT WITH AUTOMATIC BRAKING
When you back out of a parking space, rear-mounted sensors identify vehicles approaching from the left or right and stationary objects. Warnings are given and the brakes applied to avoid a collision.

Please refer to grade pages from page 22 for availability.

Quoted mpg and CO_2: The fuel consumption, CO_2 and noise values are measured in a controlled environment on a basic production vehicle, in accordance with the requirements of European law published by the European Commission. For further information, or if you are interested in buying a basic production vehicle, please contact Toyota Motor Europe NV/SA. The fuel consumption and CO_2 values of your vehicle may vary from those measured. Driving behaviour as well as other factors (such as road conditions, traffic, vehicle condition, installed equipment, load, number of passengers, ...) play a role in determining a car's fuel consumption and CO_2 emissions. All vehicles are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). CO_2 figures (and hence car tax and recommended 'on the road' prices) may differ from information printed before 1 April 2020, due to a change in the official method of calculation. This date may change, please visit www.vehicle-certification-agency.gov.uk/fcb/wltp.asp for the latest information. Please contact your local Toyota Centre for further information.

INSPIRING THE WORLD TO MOVE

Over 85 years of innovation have brought us our greatest mission yet: giving the freedom of movement to humankind. That's why Toyota is the Worldwide Official Mobility Partner of the International Olympic Committee and the International Paralympic Committee and proud partner of Team GB and ParalympicsGB.

We are committed to making movement better for everyone, whether that be across a country, a city or across a room, because when you are free to move, anything is possible.

OWNING YOUR YARIS

Servicing your Toyota
Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your vehicle based on the vehicle's age, mileage and service history.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Service Plans
Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Toyota Price Repairs
We offer transparent prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your vehicle will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/owners/parts-accessories/parts

Toyota Relax
Up to 10 Years (100,000 mile) Toyota warranty
Every new Toyota is eligible to be covered by up to 10 years' manufacturer warranty through Toyota Relax. This is provided through an initial 3 years manufacturer warranty that can be extended with regular servicing at a Toyota dealer. 12 months warranty is included with every Toyota Service, up to 100,000 miles or 10 years, whichever comes first, giving you a chance to relax in the knowledge that you and your vehicle are in safe hands. Terms and conditions apply.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/relax

Corrosion Cover
The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover
The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

Toyota Business Centre
Our Toyota Business Centre network promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota.

While every effort is made to reproduce accurate information, we reserve the right to change specifications, equipment and availability without prior notice. This brochure cannot be regarded as infallible (some of the vehicles shown may not be to exact UK specification), and as such does not constitute an offer for sale of any particular vehicle or specification.

For the latest specification and availability, we ask that you contact your local Toyota Centre. Vehicle body colours may differ slightly from the printed images in this brochure.

Quoted mpg and CO_2: Figures are provided for comparability purposes; only compare fuel consumption and CO_2 figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption and CO_2 produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP). All mpg and CO_2 figures quoted are full WLTP figures.

The official CO_2 figures for vehicles changed as from 6 April 2020, due to a change in the official method of calculation. CO_2 figures are used in the calculation of Vehicle Excise Duty (car tax) for new cars during their first year of registration. As a result, all CO_2 figures, car tax and 'on the road' prices for new vehicles, which were provided or displayed prior to 6 April 2020, may now have changed for vehicles which were not registered before that date. These dates may change, please visit www.vehicle-certification-agency.gov.uk/fcb/wltp.asp for the latest information.

Please contact your local Toyota Centre for further information.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
