

## IRRESISTIBLE STREET STYLE

Stylish and dynamic in sophisticated new Neptune Blue Bi-tone, the new Yaris is an urban design icon. The small car with big presence, it combines expressive proportions with a confident stance on the street. Full of character, there are attention-grabbing details everywhere you look, from the streamlined roof line to the distinctive boomerang-shaped rear bumper. Don't expect to go unnoticed.

#### ARRIVE IN STYLE

Bigger wheels for standout style and a confident, more engaging drive. New 17" wheels looks as good as they drive.

## ELEGANCE WITHOUT COMPROMISE

The new Yaris combines a modern interior with the convenience features to help you do more. Ambient lighting and premium materials bring the style, with blue seat stitching and a sleek blue deco line\* that extends to the doors, creating the sense of a single cohesive space. Comfort is assured thanks to sculpted seats with lumbar support. And with lots of cabin storage plus the spacious luggage compartment, there's nothing the new Yaris can't handle.

#### A FLEXIBLE, HIGHLY VERSATILE SPACE

Need more space for that awkward load? Fold the rear seats to move just about anything.

## ALWAYS CONNECTED

Imagine a feelgood driving environment with you at its heart. A comfortable, engaging seating position that boosts driving confidence. A responsive, highdefinition touchscreen within easy reach. An intuitive digital user experience with natural voice recognition. And a comprehensive digital cabin perfectly positioned within your line of sight, so you can keep your eyes on the road. The new Yaris has it all.

#### TAP TO PLAY

Set a destination, find that new playlist, make a call – the high-definition 10.5" multimedia screen\* is your window to a world of easy digital functionality.

## MYTOYOTA APP. IN CONTROL FROM YOUR

Connectivity doesn't stop when you leave the car. The MyToyota app is a powerful tool on the move. Secure your car from afar, locking the doors and closing the windows with Remote Control. Use Remote Start to prepare the Hybrid system and cool or warm the cabin ahead of a journey. And with Car Finder you can remotely flash the lights and see the car's location on a map, making it easy to find.

# TOYOTA SAFETY SENSE. WITH YOU FOR A SAFER JOURNEY

For safety functions, Yaris includes the latest generation of Toyota Safety Sense as well as the possibility to update its features over-the-air.

#### PRE-COLLISION SYSTEM WITH INTERSECTION COLLISION AVOIDANCE SUPPORT

The Pre-Collision System can detect and help you avoid collisions with other vehicles, pedestrians, cyclists and motorbikes. It works by alerting the driver with audio and visual warnings and brake assistance.

#### ACCELERATION SUPPRESSION AT LOW SPEED

While driving at low speed, if the accelerator is pressed hard in front of obstacles such as another car, cyclist or pedestrian, the system will restrict sharp acceleration to minimise the risk of a collision.

#### PROACTIVE DRIVING ASSIST – DECELERATION ASSIST

This system supports smooth deceleration when the accelerator pedal is released, when approaching a preceding vehicle.

#### PROACTIVE DRIVING ASSIST – STEERING ASSIST

This function assists the driver in preventing deviation from the driving lane. The system detects the curve ahead and adjusts the steering assist force to facilitate adequate steering. It can also support improved straight-line driving stability.

#### EMERGENCY DRIVING STOP SYSTEM

If the system detects no driver input for some time, audible warnings will alert the driver. If no further inputs are detected, EDSS brings the vehicle to a gradual stop while keeping it safely in lane.

Keep up to Date Build your Yaris Book a Test Drive Find a Dealer Click right for more grades

## TECHNOLOGY THAT PROTECTS

Yaris is always looking out for you. New Proactive Driving Assist helps prevent accidents in two ways. Deceleration Assist smoothly slows the car when required, such as when coming up behind a slower vehicle, while Steering Assist can automatically adjust the steering force for smooth and stable progress on curving roads. In their element in the city, Safe Exit Assist and Rear Cross Traffic Alert use cameras to constantly monitor your surroundings.

#### SAFE EXIT ASSIST

This system uses the Blind Spot Monitor radar to help prevent a collision between an occupant's opened door and a vehicle or cyclist approaching from behind. If there is a risk of a collision, indicators illuminate on the outer mirrors and multi-information display, the interior ambient lighting will turn red together and an audible buzzer will sound to alert occupants.

#### REAR SEAT REMINDER SYSTEM

This system alerts the driver if a passenger or object is left on the rear seat when leaving the car. The alerts will include: a warning in the cockpit meter and, subject to model, after locking the car, also hazard lamp and an audible buzzer will activate.

#### REAR CROSS TRAFFIC ALERT WITH AUTOMATIC BRAKING

When you're backing out of a parking space, this system will identify any vehicles approaching from the left or right, alert you to them and apply the brakes to help to avoid a collision.

#### INTELLIGENT CLEARANCE SONAR

Intelligent by name, intelligent by nature – this system warns the driver of obstacles in front of or behind the car and automatically brakes to help to avoid collision.

#### **BLIND SPOT MONITOR**

Our Blind Spot Monitor system alerts the driver to any vehicles they might not have seen in their side mirrors. This is particularly useful when overtaking.

#### OWNING YOUR YARIS

#### Servicing your Toyota

Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your vehicle based on the vehicle's age, mileage and service history.

For more information visit toyota.co.uk/owners/ servicing-and-aftercare/service-mot-maintenance

#### **Service Plans**

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/owners/ servicing-and-aftercare/service-mot-maintenance

#### **Toyota Price Repairs**

We offer transparent prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your vehicle will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/owners/ parts-accessories/parts

#### MyToyota

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join MyToyota. Packed with timesaving and convenient features, MyToyota ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to My Rewards where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit toyota.co.uk/mytoyota or download the MyToyota app now available on iTunes and Android.

#### **Toyota Accessories**

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Tovota vehicles. Tailormade for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability.

For more information visit toyota.co.uk/owners/ parts-accessories/parts

#### Toyota Roadside Assistance

When you buy a new Toyota you will automatically receive 12 months' Roadside Assistance in the UK and Europe, free of charge. After the first year you can renew this cover at £76 for 12 months or £135 for 24 months by calling 0344 701 6201 or visiting tovota.co.uk/roadside-assistance/

#### Get up to 10 years/100,000 miles Toyota Warranty\*

Every new Toyota comes with a 3 year manufacturer warranty followed by a 12 months / 10,000 miles additional warranty, with every qualifying service.

For more information visit https://www.toyota. co.uk/owners/tovota-warrantv

#### Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

#### **Rust and Paint Cover**

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

#### **Toyota Business Centre**

Our Toyota Business Centre network promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota.

For more information visit toyota.co.uk/ business-customers

#### **Toyota Motor Insurance**

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

\* Terms and conditions apply. For full details, please ask your official ToyotaCentre or visit https://www.toyota. co.uk/owners/toyota-warranty

Keep up to Date **Build your Yaris** Find a Dealer Book a Test Drive

At Toyota, we want to go beyond zero environmental impact and leave the world in a better place than we found it. To make that happen, we have set ourselves six challenges to complete by 2050. Each one presents its own difficulties, but we are committed to generating a positive and sustainable impact on society and the natural world as a whole.

By 2050, we want to reduce the CO<sub>2</sub> emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

#### LIFE CYCLE - ZERO CO2 EMISSIONS

We are working to create more environmentally friendly designs - and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle\*.

## PLANT - ZERO CO2 EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

#### **CHALLENGE 4** MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

#### CHALLENGE 5 ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Yaris is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'.

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

For more information regarding Toyota Environmental Challenge please visit: www.toyota-europe.com/worldoftoyota/feel/environmental-sustainability or contact your local Toyota retailer.

Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.

#### INSPIRING THE WORLD TO MOVE

Over 85 years of innovation have brought us our greatest mission yet: giving the freedom of movement to humankind. That's why Toyota is the Worldwide Official Mobility Partner of the International Olympic Committee and the International Paralympic Committee and proud partner of Team GB and Paralympics GB.

Toyota is also the Official Mobility Partner of Special Olympics Great Britain. We proudly support inclusive sport and the charity's mission to create more sporting opportunities for people with intellectual disabilities across England, Scotland and Wales.

We are committed to making movement better for everyone, whether that be across a country, a city or across a room, because when you are free to move, anything is possible.
