

# TRUE FREEDOM. THE ALL-NEW, ALL-ELECTRIC SUV, TOYOTA BZ4X

As the first member of the All-New Toyota bZ family, Toyota bZ4X leads the way for the electric generation.

A powerful build and dynamic SUV design with excellent electric range – with Toyota bZ4X, you'll have the confidence to drive wherever you need to go. Innovative and efficient, the Toyota bZ4X delivers outstanding battery longevity for greater peace of mind.

# DESIGNED FOR ALL JOURNEYS

Inside the All-New Toyota bZ4X, advanced electric vehicle meets practical SUV. The generous five-seat cabin provides a wealth of premium features, ensuring every passenger enjoys a peaceful journey in refined interior comfort. Outstanding rear legroom and full flat flooring create exceptional interior space, with plenty of room for all. The Toyota Skyview® Fixed Panoramic Roof\* lights up the cabin, providing excellent visibility. This is SUV confidence with electric innovation.

SUPERBLY SPACIOUS

The long wheelbase delivers all the legroom you need, with a boot space up to 452l.

<sup>\*</sup> Optional on Motion & Vision.

LUXURIOUS DETAILS Luxury perforated fabric and soft ornamentation armrests create a welcoming interior.

Images shown are model year 2022 vehicles.

# TRAVEL IN PREMIUM COMFORT

Calm, spacious and completely premium, the inviting interior of the All-New Toyota bZ4X welcomes you into a cabin of luxury. A wealth of human touches make Toyota bZ4X a social space for everyone to enjoy. An intelligently designed cabin and spacious interior create total comfort for all passengers. Let the interior ambience of Toyota bZ4X make you feel at home.

Design Safety Grades Colours Equipment Additional Features Specifications Accessories information

# TOYOTA SAFETY SENSE. A TRAVEL COMPANION YOU CAN TRUST

Toyota Safety Sense is your helpful driving partner.

Offering a range of safety features wherever you choose to travel. This includes the latest Toyota Safety Sense technology with features such as driver emergency stop assist, motorbike detection, intersection turn assist and safe exit assist.

#### PRE-COLLISION SYSTEM (PCS)

When a possible collision is detected, PCS alerts the driver with audio and visual warnings, activating brake assistance. Brakes automatically engage, reducing the likelihood and severity of an impact. Car, pedestrian, cyclist and motorbike detection are possible. Additionally, Intersection Turn Assist and Emergency Steering Assist support when turning at junctions and making evasive manoeuvres.

### EMERGENCY DRIVING STOP SYSTEM (EDSS)

If no driver input is detected for some time, audible warnings sound to alert the driver. Failing this, the vehicle automatically slows, coming to a stop without straying from the current lane. Hazard lights activate to warn other road users.

#### AUTOMATIC HIGH BEAM (AHB)

AHB automatically switches between high and low beam to enable optimal night-time visibility.

#### LANE TRACE ASSIST (LTA)

LTA is designed to make motorway driving safer. It keeps you centred in your lane and if you start to drift, steering assist will gently steer your car to correct its course.

#### ROAD SIGN ASSIST (RSA)

RSA monitors upcoming road signs, providing visual and acoustic warnings about any restrictions on the cockpit display. Data from RSA can now also be used to set a speed limiter, allowing the driver to easily avoid accidentally breaching speeding regulations.

#### INTELLIGENT ADAPTIVE

CRUISE CONTROL (ACC)
Without using the accelerator,
ACC keeps the car at a minimum,
pre-set distance from traffic ahead.
If this gap changes, the system
automatically adjusts cruising
speed up and down to match,
even bringing the vehicle to a full
stop if necessary.

# INNOVATIVE DRIVING FEATURES

Toyota bZ4X is equipped with innovative driving and parking assistance features such as Safe Exit Assist, Rear Seat Reminder System, Adaptive High-Beam System to name just a few – giving you confidence and creating an even safer driving environment for you and other road users.

#### SAFE EXIT ASSIST (SEA)\*

A Toyota first, SEA utilises Blind Spot Monitor to detect traffic or cyclists approaching from the vehicle rear when stationary. Should a collision be possible, an indicator in the outer mirror is illuminated to alert the driver and any passengers. This indicator is adjustable to driver preference.

### EXTENDED BLIND SPOT MONITOR (BSM)\*

BSM alerts the driver to any vehicles that might be missed in the side mirrors.

#### ADAPTIVE HIGH-BEAM SYSTEM (AHS)\*

AHS automatically optimises the headlamp light distribution so that high beams do not directly illuminate preceding or oncoming vehicles, allowing for continuous light support at night by shading the area containing the other traffic.

#### AUTOMATIC REAR FLASHING HAZARD LIGHTS (ARFHL)

ARFHL alerts vehicles approaching from behind by flashing the hazard lights, if here is a high possibility of a rear-end collision.

#### REAR SEAT REMINDER SYSTEM (RSRS)

Toyota bZ4X features RSRS, which reminds drivers about passengers or objects left on rear seats when exiting the car. Before exiting the vehicle, a warning appears on the meter, with additional hazard lamps and buzzer when outside after locking the car.

<sup>\*</sup> Not available on Pure grade.

## PURE GRADE

With its amazing range and equipment level, this car is the ideal electric SUV drive.

#### MAIN FEATURES

- 18" Alloy wheels with wheel caps (5-double-spoke)
- 8" Toyota Smart Connect +
  Multimedia system with Wireless
  Smartphone integration incl
  Apple CarPlay & Android Auto™
  & connected cloud Navigation
- Energy Saving Heat Pump
- Pre-Collision System with
   Pedestrian (day & night), Cyclist
   & Motorbike (day) Detection
- Front-to-front Oncoming Car & Motorbike daytime detection
- Intersection Cut-In Traffic Assist
- Intersection Turn AssistEmergency steering Assist
- Emergency Driving Stop System
- 7" multi-information screen
- Electronic parking brake with hold function

- Smart Entry & Push-button start
- Intelligent Adaptive Cruise Control
- LED Headlights & Automatic High Beam (AHB)
- Lane Trace Assist (LTA)
- Reversing Camera
- Speed limiter with Road Sign Assist (RSA)
- Tyre Pressure Warning System (TPWS)
- eCall emergency call system

#### OPTIONAL FEATURES

- Essential Protection Pack
- Protection+ Pack
- Detachable Tow Bar w/13 pin
- Fixed Tow Bar w/13 pin

Keep up to Date Build your BZ4X Book a Test Drive Find a Dealer Click right for more grades

### MOTION GRADE

The electric car for those who don't want to compromise, combining attractive exterior styling with an elegant interior.

#### MAIN FEATURES

(additional to Pure grade)

- 12.3" HD Toyota Smart Connect +
  Multimedia system with Wireless
  Smartphone integration incl
  Apple CarPlay & Android Auto™
  & Go Navigation
- Wireless mobile phone charger
- Front & Rear parking sensors with automatic object & rear with automatic car & object braking
- Front Cross Traffic Alert (FCTA) & Rear Cross traffic Alert (RCTA)
- 360° Panoramic View Monitor (PVM)
- Heated driver & front passenger seats
- Extended Blind Spot Monitor (BSM)
- Safe Exit Assist
- White ambient lighting on front doors, footwell, Centre console & rear doors

- Driver Monitoring Camera
- Power back door
- Adaptive High Beam (AHB)
- Privacy Glass
- Black Fabric & Synthetic Leather seats
- Power-height-adjustable, sliding driver seat with Lumbar support
- Rear Spoiler

#### OPTIONAL FEATURES

- Toyota Skyview® Fixed Panoramic Roof
- Essential Protection Pack
- Protection+ Pack
- Detachable Tow Bar w/13 pin
- Fixed Tow Bar w/13 pin

Images shown are model year 2022 vehicles.

# VISION GRADE

20" alloy wheels, chrome front grille and leather seat interiors give a luxury touch to the Toyota bZ4X.

#### MAIN FEATURES

(additional to Motion grade)

- 20" Alloy wheels (5-double-spoke)
- Digital Smart Key
- Advanced Parking Assist
- Heated steering wheel
- Rear parking sensors with automatic Pedestrian, car & object braking
- Driver & front passenger air-ventilated seats
- Memory function on driver seat
- Memory function on door mirrors— Choice of Black or Grey Synthetic
- Leather seats
- Washer fluid level warning

#### OPTIONAL FEATURES

- Toyota Skyview® Fixed Panoramic
- Essential Protection Pack
- Protection+ Pack
- Detachable Tow Bar w/13 pin
- Fixed Tow Bar w/13 pin

Images shown are model year 2022 vehicles.

# SLEEK & STYLISH – CHOOSE YOUR COLOUR

### ESSENTIAL PROTECTION PACK

Keep your Toyota bZ4X in top condition with the help of the Essential Protection Packs which offers your car greater protection both inside and out.

## PROTECTION+ PACK

The Protection+ Pack includes all the components of the Essential Protection Pack plus rubber floor mats.

### TOWING

Toyota tow bars are available with a fixed or detachable hook. Both provide a strong towing capability.

FRONT & REAR MUDFLAPS
Designed to minimise water, mud
and stones spraying onto your car's
body

Tailored to fit the trunk of your vehicle and provide protection against dirt and spills. The design features a special anti-slip surface pattern to help stop luggage moving.

**BOOT LINER** 

RUBBER FLOORMATS
Genuine tailored fit rubber floor
mats help protect your carpets
against the very worst conditions
that you or your passengers dare to
tread inside. They are impervious
to dirt, mud and water and can be
removed for easy cleaning.

W/13 PIN
The detachable towing hitch is
especially designed so that you can
easily attach the tow ball whenever you
need a towing capability and remove
it again when you don't. The system
is lockable and features a tough anticorrosion surface treatment.

DETACHABLE TOW BAR

FIXED TOWING BAR
W/13 PIN
The fixed towing hitch gives you
a safe 1,000 kg towing capability,
which is ideal for a small boat,
caravan or trailer. It is purpose
designed for your car and has
a tough anti-corrosion surface
treatment.

<sup>\*</sup> Please check towing compatible models as some tow bars are incompatible with a kick sensor.

### TOYOTA CENTRE FIT PACKS

#### **CROSS BARS**

The cross bars lock onto the rails and form a secure base for a wide range of carrying attachments.

#### **BIKE HOLDER**

The bike holder allows you to safely transport your bike on the roof of your vehicle. The bike wheels fit into a moulded profile, allowing the bicycle to free stand in an upright position. Bicycle holder is lockable on both bicycle and roof rack / cross bars.

#### **ROOF BOX**

#### For those big snow holidays

Thule ski boxes have been customdesigned to exactly the right length, shape and capacity for securely carrying all your winter sports accessories.

#### Thule Motion 800

Dimensions: 205 cm L x 84 cm W x 45 cm H Internal volume: 460 litres Maximum content weight: 75 kg\* Holds: 5–7 pairs of skis, 4–5 snowboards Weight: 21 kg

#### Thule Pacific 700

Dimensions: 232 cm L x 70 cm W x 40 cm H

Internal volume: 420 litres Maximum content weight: 50 kg\* Holds: 6 pairs of skis, 4 snowboards Weight: 15 kg

#### Features

box contents.

- Opens from both sides for easy loading and unloading.
- High security multi-point central locking system.
- Grip-friendly key cannot be removed until all the locking points are closed.
- Fits the Toyota roof rack and Toyota crossbars on roof rails.
  Internal straps for securing the
- Made of colour-fast UV-resistant ABS plastic.

#### SKI & SNOWBOARD HOLDERS

#### Simply load and go

The holders install easily and lock securely so you can quickly load skis and snowboards whenever the inspiration takes you. They fit onto the Toyota roof rack and Toyota crossbars on roof rails.

#### Medium size holder

4 pairs of skis or 2 snowboards

#### Large size holder

6 pairs of skis or 4 snowboards

<sup>\*</sup> Maximum content weight is based on the Toyota bZ4X's maximum roof load capacity.

### OWNING YOUR TOYOTA bZ4X

#### Servicing your Toyota

Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit toyota.co.uk/owners/ servicing-and-aftercare/service-mot-maintenance

#### Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/owners/ servicing-and-aftercare/service-mot-maintenance

#### **Toyota Price Repairs**

We offer transparent prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties): and your car will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/owners/ parts-accessories/parts

Whether you're a long-term owner or have recently taken delivery of a new Toyota, there are lots of reasons to join MyT. Packed with timesaving and convenient features. MvT ensures everything you need to manage your vehicle ownership is in one place. You'll also gain access to My Rewards where you can enjoy great offers and discounts from big brands on everything from family days out to pampering as well as everyday deals.

For more information visit toyota.co.uk/mytoyota or download the MyT app now available on iTunes® and Android.

#### Toyota Accessories

Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailormade for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability.

For more information visit toyota.co.uk/owners/ parts-accessories/parts

#### Toyota Roadside Assistance

When you buy a new Toyota bZ4X you automatically get 3 years free roadside assistance.

#### Get up to 10 years/100,000 miles Toyota Warranty\*

Every new Toyota comes with a 3 year manufacturer warranty followed by a 12 months / 10.000 miles additional warranty, with every qualifying service.

#### Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

#### **Rust and Paint Cover**

The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

#### **Toyota Business Centre**

Our Toyota Business Centre network promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy,

servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Tovota.

For more information visit toyota.co.uk/ businesscustomers

#### **Toyota Motor Insurance**

Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500

Flexible Finance from Toyota Financial Services All our plans offer easy budgeting and peace of mind, and **AccessToyota** brings these benefits together in one flexible package.

Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UZ.

Finance subject to status to over 18s only. Indemnities may be required. Terms and conditions apply.

TFS is authorised and regulated by the Financial Conduct Authority.

\* Terms and conditions apply. For full details, please ask your official ToyotaCentre or visit https://www.toyota.co.uk/ owners/toyota-warranty

Announced in 2015, our global Environmental Challenge 2050 comprises of six challenges. They cover every aspect of our business, our exploration of new products and technologies, and our role as an enabler for individuals and communities to learn about and improve the natural world around them.

For more information regarding Toyota Environmental Challenge please visit: toyota.co.uk/world-of-toyota/environment/ environmental-challenge-2050 or contact your local Toyota dealer.

### CHALLENGE 1 NEW VEHICLE – ZERO CO₂ EMISSIONS

By 2050, we want to reduce the  $\mathrm{CO}_2$  emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

#### CHALLENGE 2 LIFE CYCLE - ZERO CO₂ EMISSIONS

We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle\*.

### CHALLENGE 3 PLANT – ZERO CO₂ EMISSIONS

To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

# CHALLENGE 4 MINIMISING AND OPTIMISING WATER USAGE

To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

# CHALLENGE 5 ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS

We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota bZ4X is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'. We are pursuing full life cycle management for battery recovery & reuse and remanufacturing green parts.

### ESTABLISHING A FUTURE SOCIE

To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

Grades

Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by T.V Rheinland and has been certified to comply with ISO14040/14044 standards.

Additional information

# INSPIRING THE WORLD TO MOVE

Over 85 years of innovation have brought us our greatest mission yet: giving the freedom of movement to humankind. That's why Toyota is the Worldwide Official Mobility Partner of the International Olympic Committee and the International Paralympic Committee and proud partner of Team GB and Paralympics GB.

Toyota is also the Official Mobility Partner of Special Olympics Great Britain. We proudly support inclusive sport and the charity's mission to create more sporting opportunities for people with intellectual disabilities across England, Scotland and Wales.

We are committed to making movement better for everyone, whether that be across a country, a city or across a room, because when you are free to move, anything is possible.

Choice of accessories fitted (pre-registration) may affect the official CO<sub>2</sub> figures, car tax and 'on the road' price. Please visit www.vehicle-certification-agency.gov.uk/fcb/wltp.asp for the latest information. Please contact your local Toyota Centre for further information.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
