TOYOTA PROACE CITY
VERSO ELECTRIC

COUNTS

Spacious and stylish, the Proace City Verso Electric is the ultimate compact people carrier. Perfect for driving customers and active days out with the family, this supremely versatile vehicle can do it all, easily and in complete comfort.

SIT BACK AND RELAX

Superbly comfortable and with the space to seat up to seven, with the Proace City Verso Electric the possibilities are endless. Intelligently designed to maximise space, the interior can be configured to suit your needs, with multiple seating options, a choice of two body lengths and seats that quickly fold and slide as required. Up front, a redesigned steering wheel, armrests for the driver and passenger, all underline the Proace City Verso Electric’s impressive refinement.

Image shows a manual Proace City Verso – not offered in the UK.

A SPACE THAT ADAPTS TO YOU

Whether you have paying customers or loved ones in the back, professional drivers and parents alike appreciate the importance of versatility. To ensure you're always one step ahead, the Proace City Verso Electric has the capacity to seat up to seven people. And with seats that adjust in moments to maximise legroom precisely where you need it, complete comfort is guaranteed.

SHORT WHEELBASE
5 SEATS

LONG WHEELBASE
7 SEATS

CHANGE IT, THEN CHANGE IT AGAIN

Welcome to an interior like no other. Available in two body lengths and combining flexibility with unrivalled capacity, the Proace City Verso Electric adapts to meet your needs. The seats fold and slide to maximise boot space, while access to the luggage compartment is effortless thanks to the easy-lift tailgate. And with the 5.9-litre door storage spaces and overhead lockers, there really is a place for everything.

CARRY EVERYTHING
With folding seats throughout, easy loading and on the long wheel base option, space enough for loads 3.5 metres long, you really can take it all in the Proace City Verso Electric.

ELECTRIC MADE EASY

With up to 213 miles of driving range between charges, the Proace City Verso Electric is always ready to go, whether it's across town or far beyond the city. With zero tailpipe emissions and low running costs, driving electric makes sense. But it's also uniquely enjoyable. The powertrain's smooth and relaxing performance makes every journey a pleasure, and charging really couldn't be easier. Top up on the move using the public charging network or at home using a homecharger or domestic socket.

ELECTRIC MOTOR 50 kWh A/T
Battery energy 50 kWh
Pure Electric Range* up to 213 miles
Battery charging time 5 hours

* Combined cycle.

CONNECTED AND IN CHARGE

Created to deliver an effortless driving experience, the Proace City Verso Electric’s seamless connectivity takes all the guesswork out of zero-emission driving. On the road the multi-function digital combimeter display lets you keep an eye on key EV data, including remaining range, power consumption and battery status. Need to top up? A charging status indicator makes charging fast and stress-free.

FAST, CONVENIENT CHARGING
Need to top up? The locations of local charging stations are displayed on the 10" HD multimedia display screen, to get you powered up and on the move again as quickly as possible.

INTUITIVE TECHNOLOGY

Whether you're driving for business or pleasure, the Proace City Verso Electric's connected cabin makes every moment easier, safer and more enjoyable. A truly digital cabin with unrivalled display clarity and customisation options, the multi-function 10" digital combimeter puts you confidently in control. And with the fast and responsive 10" HD multimedia display screen, twin USB-C charging ports and intuitive connectivity, the multimedia system puts the world at your fingertips.

YOUR PHONE ON THE MOVE
Streaming your media and making calls couldn't be simpler thanks to wireless Apple CarPlay and Android Auto™ compatibility. With your smartphone mirrored on the multimedia screen, just tap and play.

Apple CarPlay is a trademark of Apple Inc.

Toyota Safety Systems WITH YOU FOR A SAFER JOURNEY

Proace City Verso Electric is built with Toyota Safety Systems including the latest generation of Toyota Safety Sense as well as the possibility to update its features over the air.

LANE DEPARTURE ALERT WITH STEERING CONTROL

Using a camera to detect the lane markings in the road ahead, Toyota Safety Sense's Lane Departure Alert will alert the driver with audible and visual warnings if the vehicle starts to deviate from its lane without the turn indicator being applied. Steering Control applies corrective force in the case of unintentional lane departure.

PRE-COLLISION SYSTEM

Toyota Safety Sense's Pre-Collision System uses a camera and laser to detect other vehicles in the road ahead. When the possibility of collision is detected the driver is alerted with audio and visual warnings and brake assistance is activated. If the driver fails to brake in time the brakes automatically engage to prevent or mitigate a collision.

ROAD SIGN ASSIST

Road Sign Assist monitors the road signs ahead, displaying useful information such as the current speed limit or overtaking restrictions in clear view on the colour TFT cockpit display. The system also provides a visual warning if you are not following the road sign indication.

Toyota accessories

TAILORED TO YOUR LIFESTYLE

Whatever it is that drives you, Toyota’s comprehensive range of genuine accessories is right behind you. With everything from bike racks to roof boxes, it gives you the option to tailor every aspect of your Proace City Verso Electric to perfectly suit your needs. And because they’re engineered to the same high standards as our vehicles, this is equipment you can rely on.

Transport Pack

- 1. Cross bars**

For use with your car’s pre-fitted roof rails. The cross bars lock onto the rails and form a secure base for carrying a wide range of specialized attachments such as the Toyota Roof Box L.
- 2. Toyota Roof Box L**

This streamlined storage box adds space for your luggage, or anything else you might want to take with you on holiday. With a key that can’t be removed until all locking points are closed and easy access from either side, it’s safe and convenient too.
- 3. Fixed Towing Hitch**

The fixed towing hitch gives you a safe towing capability, which is ideal for a small boat, caravan or trailer. It is purpose designed for your car and has a tough anti-corrosion surface treatment. A dedicated wiring kit is available separately.
- 4. Rear bike holder, (2 bikes)**

Made of high strength steel, the rear bicycle holder attaches to the towing hitch and will securely carry two bicycles.

Interior Protection

1. Textile Floormats

Genuine textile floor mats, in either velour or needle felt material are tough, practical and easy to clean. The driver's mat has a special fixing to prevent slippage during use.
2. Trunk Liner

Tailored to fit the trunk of your vehicle and provide protection against dirt and spills. The design features a special anti-slip surface pattern to help stop luggage moving.
3. Trunk mat

Stylish, hard-wearing textile mat to protect the trunk carpets. The mat is tough, practical and easy to clean.
4. Horizontal Cargo Net

Strong, woven, black nylon net for holding items securely in your car's boot area. The net fixes neatly on to pre-fitted hooks. `

Comfort Pack

1. Seat Belt Pad:

Grab handle reducing the movement needed to fasten the seat belt.
2. Swivel Cushion

Allowing assistance in movement to enter and exit the vehicle.
3. Roof Strap

Adjustable for individual requirements, reducing the effort of entering and exiting the vehicle. For further ease easily installed and removed by a clip.

OWNING YOUR PROACE CITY VERSO ELECTRIC

Servicing your Toyota
Toyota Service Pricing means you will be sure to know the cost of your service up front. Expertly trained technicians using only genuine Toyota parts will carry out your service at one of over 200 Authorised Toyota Service Centres. The technicians will advise you on the correct service for your car based on the car's age, mileage and service history.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Service Plans
Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you're quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

For more information visit toyota.co.uk/owners/servicing-and-aftercare/service-mot-maintenance

Toyota Price Repairs
We offer transparent prices on a number of repair items for your Toyota giving you peace of mind when it comes to managing costs. Also don't forget we only use genuine Toyota parts, all of which come with at least 12 months' warranty (some even offer unlimited mileage warranties); and your car will always be dealt with by a trained Toyota technician.

For more information visit toyota.co.uk/owners/parts-accessories/parts

Toyota Accessories
Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they've been tested under the most severe conditions, you can have complete confidence in their reliability and durability.

For more information visit toyota.co.uk/owners/parts-accessories/parts

Toyota Roadside Assistance
When you buy a new Toyota Proace City Verso Electric you automatically get 3 years free roadside assistance.

Get up to 10 years/100,000 miles Toyota Warranty*
Every new Toyota comes with a 3-year manufacturer warranty followed by a 12 month / 10,000 mile additional warranty, with every qualifying service.

Corrosion Cover
The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of a manufacturing fault. This warranty can also be transferred to any future owner throughout the 12-year period.

Rust and Paint Cover
The 3-year unlimited mileage cover protects against defects and surface rust as a result of a manufacturing fault.

Toyota Business Centre
Our Toyota Business Centre network promise you same-day access to a business manager or dedicated sales executive. With business offers and interactive wholelife cost modelling tools which consider emissions, fuel economy, servicing, insurance and residual value data, our advisers can accurately compare tax costs against any competitor. Whenever servicing is due, we can offer fixed-price servicing, free local vehicle collection and delivery (with wash and vac).

Special offers, fixed-price fleet servicing, specialist fleet insurance, business daily hire, Toyota Fleet Financial Services, extended test drives and a dedicated Business Centre Network are just some of the services business customers can expect from Toyota.

For more information visit toyota.co.uk/businesscustomers

Toyota Motor Insurance
Toyota Motor Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Flexible Finance from Toyota Financial Services
All our plans offer easy budgeting and peace of mind, and **AccessToyota** brings these benefits together in one flexible package.

Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey, KT18 5UZ.

Finance subject to status to over 18s only. Indemnities may be required. Terms and conditions apply.

TFS is authorised and regulated by the Financial Conduct Authority.

* Terms and conditions apply. For full details, please ask your official ToyotaCentre or visit <https://www.toyota.co.uk/owners/toyota-warranty>

Toyota Environmental Challenge 2050

OUR COMMITMENT

Announced in 2015, our global Environmental Challenge 2050 comprises of six challenges. They cover every aspect of our business, our exploration of new products and technologies, and our role as an enabler for individuals and communities to learn about and improve the natural world around them.

For more information regarding Toyota Environmental Challenge please visit: toyota.co.uk/world-of-toyota/environment/environmental-challenge-2050 or contact your local Toyota dealer.

1. NEW VEHICLE – ZERO CO₂ EMISSIONS
By 2050, we want to reduce the CO₂ emissions from our vehicles by 90% compared to our 2010 levels. To achieve this, we will promote the development of new vehicles with low or zero carbon emissions, and do everything we can to increase the uptake of these vehicles.

3. PLANT – ZERO CO₂ EMISSIONS
To reduce carbon emissions at our manufacturing plants, we are focusing on improving the technologies we use and switching to alternative power sources. We are committed to making our facilities more energy-efficient and adopting renewable energy sources such as solar and wind, as well as low-carbon power such as hydrogen energy.

5. ESTABLISHING A RECYCLING-BASED SOCIETY AND SYSTEMS
We've been working on the challenge of resource recycling for 40 years, with the result that 95% of every Toyota Proace City Verso Electric is now reusable and recoverable. In addition, we offer new and innovative ways of returning your vehicle when it eventually reaches 'the end of the road'. We are pursuing full life cycle management for battery recovery & reuse and remanufacturing green parts.

2. LIFE CYCLE – ZERO CO₂ EMISSIONS
We are working to create more environmentally friendly designs – and then analysing and refining them to ensure the lowest possible environmental impact throughout the vehicle's entire life cycle*.

4. MINIMISING AND OPTIMISING WATER USAGE
To minimise water usage, we have started to collect rainwater at our manufacturing plants. We have also developed purification methods so that the water we do use can either be used again or returned safely into the local supply.

6. ESTABLISHING A FUTURE SOCIETY IN HARMONY WITH NATURE
To preserve and enhance our co-existence with the natural world, we are organising reforestation and tree planting, green urban schemes and other environmental initiatives, both at our own sites and in the wider world. Our aim is to establish a society where people and nature coexist in harmony.

* Toyota's LCA methodology, which is applied to our passenger vehicles, was reviewed and approved by TÜV Rheinland and has been certified to comply with ISO14040/14044 standards.
