8.3 Our valuation for your existing vehicle will be based on the information you have provided about it and the estimated collection date of your ordered vehicle. If either of these assumptions changes, then we reserve the right to alter the valuation of your part-exchange vehicle. Our part exchange terms and conditions will apply in this regard. You will be informed by us as soon as reasonably possible if any changes are made.

9. Providing the Vehicle

9.1 We make no guarantee or commitment as to any vehicle build or handover/collection dates. Such dates will be provided to you at the earliest opportunity after you place your order and are estimates only, subject to our amendment at any time. If our supply of the vehicle is delayed by an event outside our control then we will contact you as soon as possible to let you know and we will take steps to minimise the effect of the delay. Provided we do this we will not be liable for delays caused by the event.

9.2 Your Dealer will contact you to arrange a suitable date and time for collection of your vehicle. We require photographic proof of your identity and address when you collect your vehicle, and your Dealer will ask for this information on our behalf. Your Dealer will verify these documents on our behalf before your vehicle is released to you.

9.3 If you do not collect the vehicle as arranged we will contact you for further instructions and may charge you for storage costs. If, despite our reasonable efforts, we are unable to contact you or re-arrange collection we may end the contract and section 10.3 will apply.

9.4 A vehicle will be your responsibility from the time when you collect it from the Dealer. If you enter into a finance arrangement, you should refer to your finance agreement for your responsibilities for the vehicle such as permitted mileage and servicing.

9.5 If you are paying by cash you will own the vehicle once we have received payment in full. If you enter into a finance arrangement you may not own the vehicle until you have made all payments under the finance agreement in full including any optional final payment. You should refer to your finance agreement for further details.

9.6 We may need certain information from you so that we can supply the vehicle to you. We will ask you for this information. We will not be responsible for supplying the vehicle late if this is caused by you not giving us the information we need within a reasonable time of us asking for it.

9.7 We may have to suspend the supply of a vehicle to:

9.7.1 deal with technical problems or make minor technical changes;

9.7.2 update the vehicle to reflect changes in relevant laws and regulatory requirements; or

9.7.3 make changes to the vehicle as requested by you or notified by us to you.

9.8 We will contact you in advance to tell you we will be suspending supply of the vehicle, unless the problem is urgent or an emergency. You may contact us to end the contract for a vehicle if we suspend it, or tell you we are going to suspend it and we will refund any sums you have paid in advance for the vehicle.

9.9 If you do not pay us any amounts due for the vehicle when you are supposed to and you still do not make payment within 7 days of us reminding you that payment is due, we may suspend supply of the vehicle until you have paid us the outstanding amounts. We will contact you to tell you we are suspending supply of the vehicle. We will not suspend the vehicle where you dispute the unpaid invoice. We will not charge you for the vehicle during the period for which they are suspended. As well as suspending the vehicle we can also charge you interest on your overdue payments.

10. Our Rights to End the Contract

10.1 If you enter into a finance arrangement your finance provider will have rights to terminate the finance agreement, you should refer to your finance agreement for your finance provider's rights to terminate it and the impact on your order.

10.2 We may end the contract for a vehicle at any time by writing to you if:

10.2.1 you do not make any payment to us when it is due and you still do not make payment within 7 days of us reminding you that payment is due;

10.2.2 you do not, within a reasonable time of us asking for it, provide us with information that is necessary for us to provide the vehicle; and

10.2.3 you do not, within a reasonable time, collect the vehicle from us.

10.3 If we end the contract in the situations set out in section

10.2 we will refund any money you have paid in advance for vehicles we have not provided but we may deduct or charge you reasonable compensation for the net costs we will incur as a result of you breaking the contract.

11. Your Rights to End the Contract

11.1 Your rights when you end the contract will depend on whether there is anything wrong with the vehicle, whether we have done anything wrong, when you decide to end the contract and whether you have entered into a finance agreement.

11.2 Ending the contract if you have entered into a finance agreement.

11.2.1 If you change your mind about an order for a vehicle that you have placed online in respect of which you had agreed to enter into a finance agreement, you can cancel your order at any time before you sign the finance agreement. Please contact us as soon as you change your mind about the vehicle or finance agreement. You will not be charged for the vehicle and any money that you have paid by way of reservation fee will be refunded (as further described in section 7 above).

11.2.2 If you cancel the contract for a vehicle, any ancillary consumer credit finance agreement that you may have entered into with TFSUK may end automatically under the Consumer Contracts Regulations 2013.

11.2.3 If you enter into a finance arrangement you should refer to your finance agreement for your rights to withdraw from the finance agreement and the impact on your order.

11.3 Ending the contract if you have not entered into a finance agreement. If you are ending a contract for a reason set out at sections 11.3.1 to 11.3.5 below the contract will end immediately and we will refund you in full for any vehicles which have not been provided. The reasons are:

11.3.1 we have told you about an upcoming change to the vehicle or these terms which you do not agree to;

11.3.2 we have told you about an error in the price or description of the vehicle you have ordered and you do not wish to proceed;

11.3.3 there is a risk that supply of the vehicles may be significantly delayed because of events outside our control;

11.3.4 we have suspended supply of the vehicles for technical reasons, or notify you we are going to suspend them for technical reasons; or

11.3.5 you have a legal right to end the contract because of something we have done wrong.

11.4 Exercising your right to change your mind if you have not entered into a finance agreement (Consumer Contracts Regulations 2013).

11.4.1 For most vehicles bought online for cash you have a legal right to change your mind within 14 days and receive a refund. These rights, under the Consumer Contracts Regulations 2013, are explained in more detail in these terms.

11.4.2 You have until 14 days after the day you (or someone you nominate) collects the vehicle to change your mind about the vehicle.

11.5 If you have not entered into a finance agreement, ending the contract where we are not at fault and there is no right to change your mind. Even if we are not at fault and you do not have a right to change your mind, you can still end the contract before it is completed, but you may have to pay us compensation. The contract is completed when the vehicle is collected. If you want to end a contract before it is completed where we are not at fault and you have not changed your mind, just contact us in accordance with section 12 and to let us know. The

contract will end immediately on receipt of your cancellation request, and we will refund any sums paid by you for the vehicle, but we may deduct from that refund (or, if you have not made an advance payment, charge you) reasonable compensation for the net costs we will incur as a result of you ending the contract.

11.6 Our goodwill guarantee. Some of the vehicles we sell to you come with a manufacturer's guarantee. For details of the applicable terms and conditions, please refer to the manufacturer's guarantee provided with the vehicle. Our manufacturer's guarantee is in addition to, and does not affect, your legal rights and remedies in relation to vehicles that are faulty or not as described. Advice about your legal rights and remedies is available from your local Citizens' Advice Bureau.

12. How to End the Contract With Us (Including If You Have Changed Your Mind)

12.1 This section 12 applies if you have not entered into a finance agreement. If you enter into a finance arrangement you should refer to your finance agreement for how to withdraw from the finance agreement.

12.2 To end the contract with us, you must inform us of your decision to cancel the contract by a clear statement (e.g. a letter sent by email). You can use the model cancellation form set out in Annex 1, but it is not obligatory.

12.3 If you end the contract for any reason after a vehicle has been collected from your Dealer, you must return it to your Dealer. Please call customer services on 0344 406 0288 or email us at direct@toyota.co.uk to arrange a return. If you are exercising your right to change your mind you must return the vehicle to your Dealer within 14 days of telling us you wish to end the contract.

12.4 We will refund you the price you paid for the vehicle, by the method you used for payment. However, we may make deductions from the price, as described below.

12.5 If you are exercising your right to change your mind, we may reduce your refund of the price to reflect any reduction in the value of the vehicle, if this has been caused by your handling of it. If we refund you the price paid before we are able to inspect the vehicle and later discover you have handled them in an unacceptable way, you must pay us an appropriate amount. Further, we reserve the right to charge the actual costs for undoing any modifications or customisations to the vehicle that you have requested.

12.6 We will make any refunds due to you as soon as possible. If you are exercising your right to change your mind then your refund will be made within 14 days from the day on which your Dealer receives the vehicle back from you or, if earlier, the day on which you provide us with evidence that you have provided the vehicle back to your Dealer.

13. Toyota Warranty

13. If the Toyota used vehicle is less than 10 years old/100,000 miles, the Toyota used vehicle may benefit from the Toyota warranty. For further information regarding the Toyota warranty, please refer to <https://www.toyota.co.uk/owners/toyota-warranty>.

14. If There Is a Problem With the Vehicle

14.1 If you have any questions or complaints about the vehicle, please contact us. You can telephone our customer service team at 0344 406 0288 or write to us at direct@toyota.co.uk or Customer Services, Toyota (GB) PLC, Great Burgh, Burgh Heath, Epsom, Surrey KT18 5UX. If you enter into a finance arrangement we may involve or refer your question or complaint to your finance provider.

14.2 We are under a legal duty to supply vehicles that are in conformity with this contract. See section 14.3 below for a summary of your key legal rights in relation to the vehicle. Nothing in these terms will affect your legal rights. Sections 14.2.1 to 14.2.5 summarise your key legal rights. These are subject to certain exceptions. For detailed information please visit the Citizens Advice website www.adviceguide.org.uk or call 03454 04 05 06.

14.2.1 The Consumer Rights Act 2015 says goods must be as described, fit for purpose and of satisfactory quality (taking into account the age, price, mileage, description of the vehicle applied and all other relevant circumstances). During the expected lifespan of your vehicle your legal rights entitle you to the following:

14.2.2 Up to 30 days from the date you (or someone you nominate) collect your vehicle: if your goods are faulty, then you can get a refund.

14.2.3 Up to six months from the date you (or someone you nominate) collect your vehicle: if your goods can't be repaired or replaced, then you're entitled to a full refund, in most cases, but we may make a deduction to reflect your use of the vehicle since you collected it from the Dealer.

14.2.4 Up to six years from the date you (or someone you nominate) collect your vehicle: if your goods do not last a reasonable length of time (taking into account the age, mileage, description of the vehicle applied and all other relevant circumstances) you may be entitled to some money back.

14.2.5 See also section 11.4.

14.3 If you wish to exercise your legal rights to reject a vehicle you must return it to your Dealer who will process the return on our behalf.

15. Price and Payment

15.1 When you order a vehicle through the website, you will be provided with information about the price of your vehicle (which includes VAT) at different stages of the order process. If, through the course of ordering your vehicle, you add certain optional features to your selected vehicle, the price of such optional features will be added to the vehicle price.

15.2 Where you order a vehicle through our website, you may pay for your vehicle by cash or through a finance arrangement such as any finance package available through the website.

15.3 If the rate of VAT changes between your order date and the date we supply the vehicle, we will adjust the rate of VAT that you pay, unless you have already paid for the vehicle in full before the change in the rate of VAT takes effect.

15.4 It is always possible that, despite our best efforts, some of the vehicles on the website may be incorrectly priced. We will normally check prices before accepting your order so that, where the vehicle's correct price at your order date is less than our stated price at your order date, we will charge the lower amount. If the vehicle's correct price at your order date is higher than the price stated to you, we will contact you for your instructions before we accept your order.

15.5 If you are paying:

15.5.1 by cash, we accept payment with the methods specified on the website. You must pay for the full purchase price in cleared funds by the date specified by us; or

15.5.2 by means of a finance arrangement, you must comply with all applicable pre- collection terms of the finance agreement such as any requirement for the payment of a deposit, by the date specified by us.

16. Our Responsibility for Loss or Damage Suffered by You

16.1 If we fail to comply with these terms, we are responsible for loss or damage you suffer that is a foreseeable result of our breaking this contract or our failing to use reasonable care and skill, but we are not responsible for any loss or damage that is not foreseeable. Loss or damage is foreseeable if either it is obvious that it will happen or if, at the time the contract was made, both we and you knew it might happen, for example, if you discussed it with us during the sales process.

16.2 We do not exclude or limit in any way our liability to you where it would be unlawful to do so. This includes liability for death or personal injury caused by our negligence or the negligence of our employees, agents or subcontractors; for fraud or fraudulent misrepresentation; for breach of your legal rights in relation to the vehicle (as summarised at section 14.2); and for a defective vehicle under the Consumer Protection Act 1987.

16.3 We are not liable for business losses. We only supply the vehicles for domestic and private use. If you use the vehicles for any commercial, business or re-sale purpose we will have no liability to you for any loss of profit, loss of business, business interruption, or loss of business opportunity.

17. How We Will Use Your Personal Information

17.1 We will collect personal information from you for the provision of this contract. Such personal information will only be shared with third parties in connection with the provision of this contract, including the Dealer. This information will be stored for 15 years from when you

collect the vehicle. For further details on how we use personal information and your rights, please see our Privacy Policy at: <https://www.toyota.co.uk/footer/privacy-policy>

17.2 If you apply for and enter into a finance arrangement with TFSUK, TFSUK will use your personal information as set out in its Privacy Notice. TFSUK's Privacy Notice will be provided to you during your application and sale transaction process for its finance package.

18. Other Important Terms

18.1 We may transfer this agreement to someone else. We may transfer our rights and obligations under these terms to another organisation.

18.2 You need our consent to transfer your rights to someone else (except that you can always transfer our guarantee). You may only transfer your rights or your obligations under these terms to another person if we agree to this in writing. However, you may transfer our guarantee to a person who has acquired the vehicle. We may require the person to whom the guarantee is transferred to provide reasonable evidence that they are now the owner of the vehicle.

18.3 Nobody else has any rights under this contract (except someone you pass your guarantee on to). This contract is between you and us. No other person shall have any rights to enforce any of its terms, except as explained in section 18.2 in respect of our guarantee. Neither of us will need to get the agreement of any other person in order to end the contract or make any changes to these terms.

18.4 If a court finds part of this contract illegal, the rest will continue in force. Each of the paragraphs of these terms operates separately. If any court or relevant authority decides that any of them are unlawful, the remaining paragraphs will remain in full force and effect.

18.5 Even if we delay in enforcing this contract, we can still enforce it later. If we do not insist immediately that you do anything you are required to do under these terms, or if we delay in taking steps against you in respect of your breaking this contract, that will not mean that you do not have to do those things and it will not prevent us taking steps against you at a later date. For example, if you miss a payment and we do not chase you but we continue to provide the vehicles, we can still require you to make the payment at a later date.

18.6 Which laws apply to this contract and where you may bring legal proceedings. These terms are governed by English law and you can bring legal proceedings in respect of the vehicles in the English courts. If you live in Scotland you can bring legal proceedings in respect of the vehicles in either the Scottish or the English courts. If you live in Northern Ireland you can bring legal proceedings in respect of the vehicles in either the Northern Irish or the English courts.

18.7 Alternative dispute resolution. Alternative dispute resolution is a process where an independent body considers the facts of a dispute and seeks to resolve it, without you having to go to court. If you are not happy with how we have handled any complaint, you may want to contact the alternative dispute resolution provider we use.
