YOUR COVER

What's Covered

Your Toyota Minor Damage Protection policy is designed to help keep **Your Vehicle** in excellent condition at all times throughout **Your** policy term by providing for the cost of **Cosmetic Repairs** when **Your** vehicle experiences **Minor Damage**, or if a **Cosmetic Repair** cannot be carried out, a contribution to the costs of having **Your Vehicle** repaired with a **Bodyshop Repair**.

1. Minor Damage Repair

We will provide cover against **Minor Damage** to **Your Vehicle**, such as that caused by everyday motoring, to be repaired using **Cosmetic Repair** techniques. These techniques can be carried out without requiring **You** to take **Your Vehicle** to a bodyshop.

Once **You** have let **Us** know about a claim (Please see the "Making a Claim" section), and **We** have authorised it (Please read this document carefully for the applicable conditions and exclusions), **We'll** arrange for one of **Our** selected specialist **Repairers** to make a **Cosmetic Repair** of **Your Vehicle's Minor Damage**.

The **Repairer** will then contact **You** to arrange an appointment, ideally at a time and place that suits **You**, such as at **Your** home or work address. If **You** do not believe **You** will have adequate space for the repair (or if **You** would find it more convenient) the appointment can be at a **Repairer's** premises.

During **Your** appointment, the **Repairer** will carry out a **Cosmetic Repair** which will restore the appearance of **Your Vehicle** to as close to the original appearance as possible. Often, it is not possible to tell with the human eye that any damage ever took place.

Please note that whilst **Our Repairers** are experts in restoring **Minor Damage**, **Cosmetic Repairs** vary from that of a factory finish, which is machine sprayed to a degree beyond that achievable by human capabilities.

2. Bodyshop Contribution

In the event that the damage to **Your Vehicle** falls within the definition of **Minor Damage** and **We** have authorised **Your** claim, but **We** have determined a **Cosmetic Repair** cannot be used to facilitate the repair, this policy will instead contribute up to £250 (including VAT) for each eligible **Minor Damage** towards a **Bodyshop Repair**.

You may use a bodyshop of **Your** choosing*, provided they are VAT registered, and upon providing **Us** with an invoice from the bodyshop for the work carried out, **We** will make the payment to **You** or the bodyshop, whichever **You** would prefer.

***We** strongly recommend that **You** choose a Toyota approved bodyshop to avoid invalidating **Your Vehicle's** anti-corrosion, paintwork and perforation warranty.

If **You** successfully claim for the **Minor Damage** under any other policy of insurance (for example, **Your** motor insurance), **You** will not be eligible to receive the **Bodyshop Repair** contribution under this policy.

What is "Minor Damage"?

There are four types of damage that cover the vast majority of everyday damages likely to be incurred in the course of using **Your Vehicle**, as follows:

	Chip	Minor Scuff	Minor Dent	Scratched Area
				
Max Diameter	5.0 mm	30.0 cm	30.0 cm	30.0 cm
Max Depth	1.5 mm	3.0 mm	3.0 mm	3.0 mm

Your policy provides cover for any of these types of damage, within the size limits set out above, providing:

- The total size of each area of damage (whether across multiple panels or to a single panel) falls within 30 cm in diameter, and 3 mm in depth (or, in the case of damage including a **Chip**, 1.5 mm in depth).
- Each area of damage is no closer than 1.0 meters in any direction to any other damage. Any damages closer than this will be treated as one area of damage, and subject to the 30 cm maximum diameter.
- Each eligible area of damage is one **Minor Damage** to be repaired by a **Cosmetic Repair**, or if this is not possible, each eligible area will instead provide **You** with a £250 (inc VAT) **Bodyshop Repair** contribution.
- The number of **Minor Damages** does not exceed the **Individual Claim Limit** or **Aggregate Claim Limit**.

Eligible: Damage within 30cm/3mm deep

Not eligible: Two damages <1m apart.

Not eligible: Damage over 30cm

Unfortunately, if any of the areas of damage exceed these requirements, they are not covered by this policy.

Additionally:

- Due to limitations in the repair techniques, damage to large, flat surfaces, roofs, bonnets and boots are only able to be **Weatherproofed and Disguised**. This will significantly reduce the appearance of the damage and protect the area from corrosion, but the damage may remain slightly visible. Please see the illustration below:

Not Covered:

Bumper trims.

Locks & Handles.

Please see the "What's NOT covered" section.

- No repair is possible under this policy where the panel has been ripped, perforated, or torn, or damage has occurred to the structure/alignment of the panel(s).

Your Cover – Where & When?

You're covered from the start date listed on **Your Certificate of Insurance** until the earliest of the following:

- a) the end of the period of cover shown on **Your Certificate of Insurance**.
- b) the date on which the **Aggregate Claim Limit** is reached.
- c) the date this policy is cancelled by **You** (as set out in the "How to Cancel" section), or by **Us**.
- d) the date **Your Vehicle** is sold, repossessed, or transferred to another party who isn't an immediate family member (i.e., parent; spouse; civil partner; son or daughter).

We'll not pay any claim if the claim occurs outside of this period.

You're covered for damage to **Your Vehicle** which arises anywhere in the world, but **We'll** only be able to authorise **Your** claim and arrange for repairs when **Your Vehicle** is back within the **Territorial Limits**. **You** still need to notify **Us** of **Your** claim, and make **Your Vehicle** available for repairs, in accordance with the claim conditions (Please see the "Making a Claim" section), so if **Your Vehicle** is likely to be outside of the **Territorial Limits** for more than 30 days, **You** may need to make alternative insurance arrangements.

We'll not pay any claim if repairs occur anywhere outside the **Territorial Limits**.

What's **NOT** covered

This policy won't cover:

- * Any applicable **Excess** payable (Please see **Your Certificate of Insurance**);
- * Any **Pre-Existing Damage**;
- * Any **Minor Damage**:
 - o that cannot be defined as a **Scratched Area, Chip, Minor Scuff** or **Minor Dent**; or
 - o that exceeds the maximum **Individual Claim Limit** or the **Aggregate Claims Limit**; or
 - o is caused by hail, rust or corrosion or where rust has settled into the panel / damaged area; or
 - o to large, flat surfaces such as bonnets, roofs and boot lids (other than being **Weatherproofed and Disguised**); or
 - o to stickers or decals; or
 - o to beading or moulding (including protective plastic); or
 - o to matt finish paint, body wrap, chrome illusion paint (two tone paint) or bespoke paints; or
 - o which is covered and successfully claimed for under any other insurance; or
 - o which is estimated to exceed 4 hours to repair under a **Cosmetic Repair**;
- * Damage of any kind to:
 - o any body panel/bumper that has been cracked, ripped, torn or perforated;
 - o any body panel/bumper where the structure or alignment of the panel(s) has been damaged,
 - o wheels and wheel rims;
 - o windows or mirror glass;
 - o locks or handles;
 - o accessories, door mouldings, window mouldings or lights;
 - o chrome, textured effect or non-body coloured trims;
 - o vehicle interior or upholstery;
- * The replacement of any part of **Your Vehicle**, including:
 - o any body panel or part of a panel;
 - o any badges, decals, trims, stickers or plastic paint protection film, including those which require removal in order to effect a repair to the panel;
- * Any costs in excess of £250 (including VAT) for each **Bodyshop Repair**;
- * Any repair work carried out without prior authorisation being given by **Us**;
- * Any repair work carried out outside the **Territorial Limits**;
- * Any other costs that are indirectly caused by the event which led to **Your** claim;
- * Damage of any kind caused by nuclear substances or activity;
- * Damage of any kind caused by war, civil commotion, labour disturbances, riot, strike, lockout, public disorder or any form of terrorism.

IMPORTANT – If the number of eligible **Minor Damages** exceeds the **Individual Claim Limit** then **You** will be requested to select which of them **You** would like to be authorised, up to the **Individual Claim Limit** as noted within the **Certificate of Insurance**. The remaining **Minor Damages** will not be repaired under this policy, and will be regarded as **Pre-Existing Damage** for any future claims. Please refer to **Your Certificate of Insurance** for further details on the **Individual Claim Limit**.

MAKING A CLAIM

When **Your Vehicle** experiences an **Incident** causing **Minor Damage**, please contact **Us**. You'll need **Your Certificate of Insurance** and vehicle registration to hand. You can contact **Us**:

Online: <https://toyota.insurethat.com>

By email: toyota.claims@insurethat.com

By telephone: 0333 0444 701

In writing: InsureThat, Sterling House, Sitka Drive, Shrewsbury Business Park,
Shrewsbury, Shropshire, SY2 6LG

REMEMBER – The damage to **Your Vehicle** must fall within the limits set out in this policy wording, in particular, the total size of the damage must be no greater than 30cm in diameter and 3mm in depth. Please see the "What is **Minor Damage**" section for additional details.

In order for **Us** to assess **Your Claim**, **You** must follow the prescribed claims procedure as explained in this document or by **Our** claims team. The claims procedure is as follows:

- Upon an **Incident** resulting in **Minor Damage**, **You** should notify **Us** by one of the means above of **Your** claim;
- In any case, **You** must submit **Your** claim within 30 days following an **Incident**;
- **We** will request information to allow **Us** to assess **Your** claim. **We** will require:
 - **Your** personal and **Vehicle** details, including if a **Paint Protection** product has been applied;
 - Full details of the **Incident** and the resulting damage;
 - Confirmation that the damage falls within the parameters of a **Chip**, **Scratched Area**, **Minor Dent** or a **Minor Scuff** as described within the policy definitions (Please see the "What is **Minor Damage**" section);
 - Two photographs of each area of **Minor Damage**:
 - One close up, showing the area of damage only;
 - One further away, with the complete damaged panel(s) of the vehicle in view.
- Once **We** have received all of the required information, **We** will assess **Your** claim.
- If the claim is covered under **Your** policy, **We** will then ask **You** to pay any **Excess** (if applicable and shown in **Your Certificate of Insurance**).
- Once **You** have paid the **Excess**, **We** will pass the claim to **Our** authorised **Repairer** who will then contact **You** directly to arrange a repair booking.

Further details of what to expect before, during and after the repair visit are set out in the following section, "What you need to know about making a claim".

Depending on **Your** circumstances, **We** may require additional information or documentation so that **We** can authorise **Your** claim. To avoid delays, documentation should be provided to **Us** as soon as **You're** able. All documentation will need to be supplied at **Your** own expense.

IMPORTANT – If **Your Vehicle** is outside of the **Territorial Limits**, **You** will need to bring it back within the **Territorial Limits** within 30 days in order for the repairs to proceed. If **You** do not do so, the damage will no longer be covered.

What You need to know about making a claim

- Repairs will be carried out at a location agreed between **You** and the **Repairer**, providing that there is space for the repair to be carried out safely, **Your Vehicle** is parked legally, and the location of **Your Vehicle** is within the **Territorial Limits**.
- There must be at least 2.0 meters of clear space around all sides of **Your Vehicle** in order for the repair to take place.
- There must be clear, natural light in order for the repair to take place. The artificial lighting of multi-storey/underground car parking locations is unlikely to be suitable.
- Prior to the commencement of a **Cosmetic Repair**, the authorised **Repairer** will inspect **Your Vehicle**. If the **Minor Damage** is beyond the scope of the **Authorised Claim**, the **Minor Damage** will be referred back to **Us** for further assessment.
- If the **Minor Damage** is determined by **Us** to require a **Bodyshop Repair**:
 - **You** may arrange for repairs with a bodyshop of **Your** choosing. **We** can provide **You** with support by recommending suitable bodyshops for **Your** consideration.
 - Should **You** choose not to appoint a Toyota approved bodyshop **You** may invalidate **Your Vehicle's** anticorrosion, paintwork and perforation warranty.
 - Upon receipt of a valid repair invoice from **Your** chosen bodyshop, **We** will contribute up to £250 (including VAT) per eligible **Minor Damage** towards the cost of the repair. **We** will pay this directly to **You**, or to the bodyshop, at **Your** option.

We strongly recommend that a Bodyshop Repair is carried out at a Toyota approved bodyshop or repairer in line with the conditions of Your Vehicle's anti-corrosion, paintwork and perforation warranty.

- Following a repair, **You** must check that all work has been completed to **Your** satisfaction. If **You** are not satisfied with the work, **You** should not sign the release form. In such cases **You** should contact **Us** immediately.
- Any **Excess** due must be paid prior to commencement of the repair. **Your** signature will be required as evidence of inspection both before a repair commences and after completion to confirm **Your** acceptance and satisfaction with the work performed.
