3 YEAR PRICE PROMISE

Terms and Conditions

INTRODUCTION TO TOYOTA 3 YEAR PRICE PROMISE CAR INSURANCE

Toyota 3 Year Price Promise car insurance provides comprehensive cover for the policyholder and up to 4 eligible named drivers.

You'll receive all the excellent benefits of our Toyota Motor Insurance policy, with the added peace of mind that we'll keep the price of your insurance the same for three years, subject to these terms and conditions.

WHAT IS THE 3 YEAR PRICE PROMISE?

At the start of your policy, we'll give you a price for one year. This price is based on your vehicle model and you meeting the defined eligibility criteria. As long as you and any named drivers on your insurance continue to meet all the eligibility criteria, your renewal offer will continue at the same fixed price for the following 2 years. Although the price is fixed for 3 years, you can leave at any time. If you leave before the end of a 12-month policy period, cancellation fees and terms will apply as detailed in the Important Information Document and Private Car Policy Document (policy wording), and any refund due will be calculated based on the amount you have paid. If you leave at the end of a full 12-month policy period, no fees will apply.

WHAT'S INCLUDED IN THE FIXED PRICE?

You'll receive all the excellent Toyota Motor Insurance features. And if you're eligible to protect your No Claim Discount (NCD), this will also be included at no additional cost. However, no additional discount will be applied to your premium based on the number of years NCD you hold during the 3 year price promise period.

Whilst no further discount will be applied, your number of years NCD will continue to grow, subject to the NCD terms as detailed in the policy wording.

WHAT'S NOT INCLUDED IN THE FIXED PRICE?

- All optional add-ons. These can be added to your insurance for an additional premium.
- Any fees for making a change as listed in the Important Information Document.
- Any transaction fees charged by Premium Credit Limited if paying for the policy by monthly direct debits.

You can check your eligibility when you carry out a quote. If you're uncertain if you or any of your named drivers meet the eligibility criteria, call us on 0113 467 5162.

If any of the information you've provided means you're not eligible, you can still request a quote for our variable priced Toyota Motor Insurance.

WHAT HAPPENS IF A CHANGE IS MADE TO THE INSURANCE?

If a change is made outside of the eligibility criteria for the price promise, you may still be able to continue your insurance, but this would mean it would be moved onto our variable price annual Toyota Motor Insurance and no longer benefit from the price promise. This will only be offered to you if you continue to meet the Toyota Motor Insurance acceptance criteria. Any changes to your premium will be calculated on a proportionate basis based upon the amount you have paid.

HOW TOYOTA (GB) PLC ARE SUPPORTING THE 3 YEAR PRICE PROMISE CAR INSURANCE

This offer is provided in conjunction with Toyota (GB) PLC, who are contributing to part of the overall premium. This means they'll pay a portion of what you would otherwise have paid for your insurance. This contribution is included within the price quoted. An endorsement will be applied to your Schedule to confirm the proportionate amount paid by Toyota (GB) PLC and the proportionate amount paid by you.

WHAT HAPPENS AT THE END OF THE 3 YEAR PRICE PROMISE?

At the end of the 3 year period, any future renewal will be offered on our variable price annual Toyota Motor Insurance. This price will be based on various factors, including changes in risk profile, market conditions, and other relevant considerations.
