

Toyota (GB) PLC

Environmental Mission Statement

Aim: To reach environmental leadership through the whole vehicle life cycle.

Based on the Toyota CSR Policy, Toyota Environmental Challenge 2050 and the TGB 5 Year Environmental Action Plan, members of TGB commit to lead by example to reduce the environmental impact of Toyota's activities.

Environmental pledge:

Work towards zero CO2 produced throughout the whole vehicle life cycle.
Commitment to developing a recycling based society by minimising waste.
Ongoing quest to reduce consumption of raw materials (including energy).
Contribute to the protection and enhancement of biodiversity.

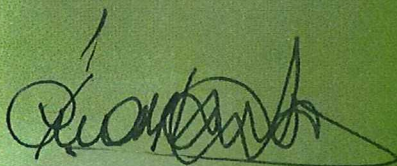

Continuous improvement:

Environmental performance in line with the 5 Year Action Plan.
Commitment to using pollutant limiting technologies where ever possible.
Operations that minimise adverse environmental and energy impact.

Communication Awareness:

Encourage environmental best practice across all areas.
Create an environmental mind set.
Opportunities to raise awareness of environmental impacts of operations.
