This Prices, Specifications and Equipment document should be read in conjunction with the AYGO brochure (GBNGV-0120B-AY).

All passenger car prices shown are recommended retail and are applicable to vehicles sold for permanent use in the United Kingdom. List prices include VAT, delivery charge and number plate allowance. On the road prices include 12 months' Vehicle Excise Duty and Vehicle First Registration Fee (currently £55). Please see your local Toyota Centre for further details on the full range of Vehicles and Optional Extras available. For full description and illustration of exterior colours and internal trims, please consult your local Toyota Centre.

Figures are provided for comparability purposes; only compare fuel consumption and CO<sub>2</sub> figures with other cars tested to the same technical procedures. These figures may not reflect real-life driving results. Fuel consumption and CO<sub>2</sub> produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load.

All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP), which replaces the New European Driving Cycle test procedure (NEDC).

All CO<sub>2</sub> figures quoted are NEDC equivalent. This means the CO<sub>2</sub> figures are based on the new WLTP test procedure but calculated (using a standard European calculation method) to allow comparison with the NEDC test procedure and will be used to calculate vehicle tax on first registration. All mpg figures quoted are full WLTP figures.
