ALL NEW COROLLA
A NEW ERA FOR COROLLA

DISCOVER THE WORLD’S BEST-SELLING CAR
IT’S TIME TO CHOOSE HYBRID
YOU’LL LOVE THE SPIRITED DRIVE OF THE ALL NEW COROLLA

Toyota Hybrids are a pleasure to drive. They’re incredibly smooth and very responsive – and when you’re driving through the city, you enjoy the blissful silence of the all-electric mode. They also save fuel and reduce emissions, while still being as easy to drive as a conventional car. Because they’re self-charging, you never have to plug them in. So it’s no surprise that Toyota Hybrids have been chosen by over 12 million drivers around the world.

2.0 LITRE HYBRID
A JOY TO DRIVE

Hybrid never felt so good. The new 2.0 litre Hybrid engine developed for the all new Corolla takes Hybrid to an exciting new level, delivering plenty of power and effortless acceleration for a spirited and dynamic drive that makes even the most everyday journey a joy.
At Toyota, we’re committed to making ever better cars. That’s why we have introduced Toyota New Global Architecture (TNGA) – a new platform that delivers excellent performance. This is the first Corolla to use TNGA, and the difference is clear from the moment you get behind the wheel, with excellent handling and stability making the drive even more rewarding. Sit back and enjoy the journey.

**A MORE REWARDING DRIVING EXPERIENCE**

**ENJOY A CAR THAT MAKES DRIVING FUN**

The TNGA platform gives the all-new Corolla a low centre of gravity that reduces body roll, providing extra control when cornering. A highly rigid body helps to enhance ride comfort, while the rear double wishbone suspension absorbs shocks from bumps in the road more effectively, making the ride even smoother.

**EXPERT CORNERING**

**EMBRACE THE DRIVE**
DESIGNED TO TURN HEADS
THE ALL NEW COROLLA IS STRIKING FROM ALL ANGLES

The first things you notice about the all new Corolla are its bold styling lines with an attractive low bonnet giving it a sleek profile. The Hatchback Excel grade can be even more eye-catching with a selection of Bi-tone paint options, which is further enhanced by sporty 18" alloy wheels.

MULTI LED HEADLIGHTS
SIMPLY BRILLIANT

Both front and rear LED lights provide excellent visibility, while using very little energy. The LEDs are arranged in clusters which form elegant curving lines that suit the car’s sleek design. The Automatic High Beam system instantly gives you the visibility you need without dazzling other drivers.
A SENSE OF STYLE

ENJOY A BEAUTIFULLY DESIGNED INTERIOR

If you think the all new Corolla looks good on the outside, just wait until you get into the car. Our designers have chosen a combination of high quality materials that look stunning together – and also provide a pleasing variety of textures. An all-black look gives the interior a sporty feel that underlines the spacious and uncluttered design. Stylish sport seats* complete the look perfectly.

AMBIENT LIGHTING

SETTING THE MOOD

Nothing does more for a space than light, and the all new Corolla features ambient interior lighting throughout the cabin. The light is a cool shade of blue, giving the interior a stylish, sporty feel. It’s a subtle touch – one of many that make this a car you’ll love spending time in.

* Standard on Excel grade only.
TECHNOLOGY FOR EVERY JOURNEY

DESIGNED TO MAKE THE DRIVE EVEN SMOOTHER

Intuitive technology helps make every journey a pleasure. An 8" full-colour touchscreen gives you instant access to the Toyota Touch® 2 multimedia system to make playing music and making calls even simpler. The optional 8-speaker JBL premium sound system* makes listening to every track amazing.

* Optional on Excel 2.0 Hybrid grade only.

Model shown: Excel grade
An optional large panoramic roof lets light flood into the cabin, making it feel even more spacious. It slides open to let fresh air in, giving you a real sense of connection to the world around you, while a powered sunshade keeps wind noise out.

The cabin of the all new Corolla has been designed around your comfort. Sport seats upholstered in a combination of leather, Alcantara® and embossed fabric§ keep you comfortable on long journeys. The steering position has been designed to feel as natural as possible, helping to avoid fatigue. Steering-wheel mounted switches for driving, infotainment and audio controls let you make calls and control music without taking your hands off the wheel.

* Optional on Design and Excel Hatchback. Also optional on Design and Excel Touring Sports in 2.0 only.

§ Standard on Excel grade only.

Model shown: Excel grade
ADAPTABLE STORAGE
SMART AND PRACTICAL

The thoughtful design of the boot makes it easy to take everything with you.

1. The boot deck board is reversible, with carpet on one side and a resin finish on the other, so you don’t have to worry about transporting garden plants, wet surf gear or your dog. If you need extra space, you can simply move it to a lower position.

2. Need even more room? Just pull a lever and one of the rear seats, or the whole row, automatically folds down without any fuss.

The all new Corolla Touring Sports gives you the space you need, where you need it. It makes the rear passengers just as comfortable as the people in the front, thanks to plenty of knee room. Whether you’re taking a bicycle, golf bags or the whole family’s luggage, the generous boot space is versatile enough to fit it in easily, thanks to an adjustable deck board, handy side pockets and easily folded seats.

Model shown: Excel grade
Everything we do starts with your safety. For instance, the innovative Toyota Safety Sense package anticipates potential hazards and helps you respond more effectively. Also part of the comprehensive suite of safety features is Dynamic Radar Cruise Control with Road Sign Assist (RSA). This, together with Hybrid technology and its automatic transmission, delivers a smooth and hassle-free drive – perfect for the city. And with a range of intelligent driver aids including a reversing camera, Pre-Collision System, Road Sign-Assist, Lane Trace Assist, Intelligent Parking Assist and Automatic High Beam, every journey will be as easy as it is enjoyable. So you can be sure that you and your passengers are even safer and more relaxed than ever before.

Pre-Collision System with Night-time Pedestrian Detection
Detects other vehicles and pedestrians in the road ahead in low light. When the possibility of a collision is detected the driver is alerted with audio and visual warnings, and brake assistance is activated. If the driver fails to brake in time the brakes automatically engage to prevent or mitigate a collision.

Pre-Collision System with Cyclist Detection
Working in a similar way as above, it detects cyclists and other vehicles in the road ahead. When the possibility of a collision is detected the driver is alerted with audio and visual warnings, and brake assistance is activated. If the driver fails to brake in time the brakes automatically engage to prevent or mitigate a collision.

Lane Trace Assist
If the car begins to drift from the centre of the lane unintentionally, steering assist is applied to correct its course.

Automatic High Beam
Designed to optimise visibility during night driving for all road users. A camera detects the lights of oncoming vehicles and leading traffic whilst also monitoring the brightness of street lights. It switches automatically between high and low beam for safe night-time driving.

Full-range Adaptive Cruise Control
Enables the car to maintain a constant speed without the use of the accelerator pedal. If necessary, it also reduces speed to preserve the distance between the car and the vehicle ahead, down to a complete stop.

Road Sign Assist
Monitors the road signs ahead, displaying useful information such as the current speed limit in clear view on the colour multi-information display.

Find out more about Toyota Safety Sense on www.toyota.co.uk/world-of-toyota/safety/toyota-safety-sense

ALL ACTIVE SAFETY TECHNOLOGIES are innovatives back-up systems only and no substitute for safe and attentive driving. The functionality of these systems may be impacted by driving conditions. Further information is available from your local Toyota Centre.

STYLE MEETS COMFORT
CHOOSE YOUR SEATS
Genuine Toyota accessories are designed with the same care and attention to quality and detail as your all new Corolla. They will help to give you the opportunity to add your own stylish, practical and innovative touch.

**FULL PROTECTION**

The Full Protection Pack guards your vehicle against day-to-day mud, dirt, sand and scratches at the rear bumper area, whilst you enjoy the dynamic driving experience of your vehicle. This pack consists of a stainless steel bumper protection plate, boot liner, aluminium scuff plates, front and rear mudflaps, rubber floor mats and horizontal cargo net.

Available on all grades for both Hatchback and Touring Sports body types.

**LITE PROTECTION WITH BLACK STYLING**

To strike a balance between achieving optimum protection and style enhancement, this option aims to make your vehicle stand out in the crowd whilst protecting your vehicle from daily wear and tear as much as possible. This pack consists of a black plastic bumper protection plate, boot liner, aluminium scuff plates (for daily protection against dirt and scratches), in addition to the black front bumper garnish and black side sills (to give your vehicle a more sporty look).

Available on all grades for both Hatchback and Touring Sports body types.
Similar to the ‘Lite Protection with Black Styling’ pack, this pack aims to deliver the same promise. This option pack consists of a stainless steel bumper protection plate, boot liner, aluminium scuff plates, chrome front bumper garnish and chrome side sills. Available on all grades for both Hatchback and Touring Sports body types.

**ACCESSORIES**

This comprehensive protection pack comes with a set of stainless steel bumper protection plate, boot liner, aluminium scuff plates and a full set of rubber floor mats, so that you can keep your vehicle with little effort and focus on giving your passengers a comfortable ride environment and experience. Available on all grades for Saloon body type.

Toyota is committed to mobility as a source of inspiration and as a way to improve quality of life for all. The world is full of endless possibilities... Even if you don’t have the roads, legs or sight. We are wholeheartedly committed to unleashing human potential through the power of movement, which is why we are a proud Partner of the Olympic and Paralympic Games as well as Team GB and ParalympicsGB.

The Games are the world’s biggest celebration of human movement. This is where we learn the true power of sports – that sports can challenge us, inspire us and, most importantly, unify us. And as the Worldwide Official Mobility Partner of the International Olympic Committee and the International Paralympic Committees, we share the vision to inspire people to push onward – past their finish line, past their impossible.

‘Under this Olympic and Paralympic flag, let us reaffirm the power of sport to bring people together.’ AKIO TOYODA, President, Toyota Motor Corporation
Servicing your Toyota

Toysota Service Pricing means you’ll be sure to know the cost of your service up front. Expertly trained technicians using genuine Toyota parts will carry out any service at one of over 200 authorised Toyota Service Centres. The technicians will advise you on the correct service for your vehicle based on the vehicle’s age, mileage and service history.

For more information visit toyota.co.uk/owners/services/mot-maintenance

Service Plans

Inflation-proof pricing with a monthly or one-off payment plan means one less thing to worry about. With Toyota Service Plans the price you’re quoted is guaranteed for the duration of your plan. The service, parts and labour are all paid for either in monthly instalments or as a one-off payment at the beginning of your plan.

My Toyota Accessory

My Toyota Accessories Toyota accessories are designed and manufactured with the same care, quality and attention to detail as Toyota vehicles. Tailor-made for your Toyota, they fit perfectly and add a personal touch of style, comfort and practicality. Also, because they’ve been tested under the most severe conditions, you can have complete confidence in their reliability and durability. To add to the measurability, every genuine Toyota accessory has a 2-year warranty when purchased together with the vehicle.

For more information visit toyota.co.uk/owners/ parts-maintenance

Toyota Roadside Assistance

When you buy a Toyota you will automatically receive a 12-month’s AA Roadside Assistance in the UK and Europe, free of charge. After the first year the cost of the Roadside Assistance is £7 per month if paid by monthly Direct Debit, £72 per annum if paid by annual Direct Debit, and £76 per annum when paid by all other payment methods.

For full terms and conditions please visit toyota.co.uk/owners/roadside-assistance

5-Year Toyota Warranty

Every new Toyota comes with a 5-year/100,000-mile (whichever comes first) manufacturer’s warranty, covering you against the unlikely event of a manufacturing defect causing a mechanical fault.

For full details, please ask your official Toyota Centre or visit toyota.co.uk/warranty/warranty

Corrosion Cover

The 12-year unlimited mileage cover protects against rust perforation affecting sheet metal body panels as a result of manufacturing fault. The warranty is also transferred to any future owner throughout the 12-year period.

For more information visit toyota.co.uk/owners/warranty/extended-warranty

Toyota Extended Warranty

You have the choice of either the low-user option that restricts you to 15,000 miles per year or 12 months whichever comes first or the 12-month unlimited mileage cover. You also have a choice between 12 and 24 months’ cover (subject to vehicle eligibility). The 24-month option will allow you to do a two-year service as well as the Toyota Extended Warranty and policies are available with the low-user option at 30,000 miles or 24 months whichever comes first.

The Toyota Extended Warranty can be renewed when the vehicle is 12 years old with less than 100,000 miles on the clock, and if a part covered by the Toyota Extended Warranty suffers electrical or mechanical failure at any time during the term, the Toyota is committed to fixing it. You don’t pay for replacement parts or labour.

For more information visit toyota.co.uk/owners/warranty/extended-warranty

Figures are provided for comparability purposes; only compare fuel consumption and CO₂ figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results. Fuel consumption and CO₂ produced varies significantly depending on a number of factors, including the accessories fitted (post-registration), driving style, conditions, speed and vehicle load. All models and grades are certified according to the World Harmonised Light Vehicle Test Procedure (WLTP), which replaces the New European Driving Cycle test procedure (NEDC). All CO₂ figures quoted are NEDC equivalent. This means the CO₂ figures are based on the new WLTP test procedure but calculated (using a standard European calculation method) to allow comparison with the NEDC test procedure and will be used to calculate vehicle tax on first registration. All mpg figures quoted are full WLTP figures. More information can be found by visiting: www.vehicle-certification-agency.gov.uk/fcb/wltp.asp.

The use of the term 'Toyota Accessories' should not be taken to imply that the products on the accessory pages are actually manufactured by the Toyota Motor Corporation or Toyota (GB) PLC. Toyota (GB) PLC is continually updating and changing specifications of accessories and reserves the right to do so at any time without prior notice.
